About the Capital Increase

In order to finance the Acquisition, the Company will undergo a private capital increase, within the limit of authorized capital, of at least 20 millions and up to 40 million common shares issued by the Company at a price of R\$ 15.00 per share, totaling a value of at least R\$ 300 millions and up to R\$ 600 million ("Capital Increase"). The criteria used to establish the issue price was the average closing price of the Company's shares at the stock market, weighted by the volume of shares traded, during the 30 trading sessions in the period between July 8th, 2016, included, to August 18th, 2016, as provided for in section III of § 1 of article 170 of Law 6.404 of December 15th, 1976, as amended ("Law 6,404.").

The proceeds obtained in the Capital Increase shall be used to finance the Acquisition and to strengthen the Company's capital structure and equity. The purpose of the Capital Increase will be achieved by obtaining the minimum amount of

The Capital Increase will be carried out through private subscription of shares, having regard to the preemptive rights as provided for in article 171 of the Law 6,404. All the shareholders of the Company on the date of the Extraordinary Shareholders' Meeting that will approve the Acquisition (i.e. September 13, 2016) shall be entitled to preferential subscription of shares under the Capital Increase in the proportion of their interest in the Company's share capital.

The acquisition allows the Company to remain responsible for the management and commercialization of the mall.

Considering the service revenues and the expected NOI of the mall over the next 12 months, the expected cap rate in the 1st year is of 8.2%, and the Company estimates the leveraged internal rate of return (IRR) of the acquisition as 12.6%.

The Company reaffirms its commitment to keep the shareholders and the market in general informed about any developments of this matter, as well as any other matters that are relevant to the market. For more information, please contact the Investor Relations department, as described below.
